

ECONOMICS

ECONOMICS is the **SCIENCE** of producing *goods and services* by **HELPING** each other and **SHARING** them according to the **RULES** of **NATURAL LAW** and **NATURAL JUSTICE**.

The Objective of ECONOMICS

The objective of ECONOMICS is to **teach** the RULES of **producing** and **sharing** GOODS and SERVICES to **ensure** that everyone TRUSTS, HELPS each other and enjoys life in **PEACE**.

The objective of ECONOMICS is **NOT MONEY GAIN** by using **FALCITY, FEAR** or **FORCE** as in political **ECONOMY**.

Producing **GOODS** and **SERVICES**

Goods and services are produced by HUMAN POWER, that is **HUMAN WORK**. Human beings *either* **WORK** for themselves *or* for the benefit of other people - *in general* the PUBLIC.

Working for another person is called HELP. In a society, it is IMPOSSIBLE to survive without **HELPING each other**. *Therefore*, it is a **natural necessity** that we must HELP each other and **exchange WORK**. For the **protection of NATURAL RIGHTS**, it is absolutely necessary that **HELP GIVEN is equal to HELP TAKEN**.

Almost always, GOODS are produced by **collective WORK**, that is *people HELPING each other*. *Again*, for the protection of NATURAL RIGHTS, it is absolutely necessary that the **PRODUCTS of collective WORK must be SHARED equally, within REASON**.

THE RULES OF ECONOMICS

There are two FUNDAMENTAL RULES of ECONOMICS:

- 1. EQUAL EXCHANGE of HELP** : Every healthy member of the PUBLIC must **TAKE** the same amount of **HELP*** as they **GIVE** to the PUBLIC.
- 2. EQUAL SHARING of COLLECTIVE HELP**: The **PRODUCTS** of collective WORK/HELP must be **SHARED** fairly, within REASON.

(*) HELP is **WORK** that creates **BENEFITS**.
BENEFITS are **goods** and **services**.

EQUAL EXCHANGE of HELP/WORK

For the **protection of NATURAL RIGHTS**, every HEALTHY member of the PUBLIC must produce the **SAME** amount of BENEFITS by **WORKING**, as they get from the PUBLIC.

In order to implement this RULE, the BENEFITS created by WORK must be **QUANTIFIED** and **RECORDED**.

HOW TO QUANTIFY BENEFITS?

The **BENEFITS** created by WORK are either plain WORK/SERVICE or PRODUCTS of WORK, other words, *goods, possessions, merchandise or commodities*. In any case, **BENEFITS are created by WORK; HUMAN POWER and HUMAN LIFE. HUMAN LIFE is PRICELESS; therefore,** it is IMPOSSIBLE to compensate HUMAN WORK/help with anything other than HUMAN WORK/help.

For that reason, if a healthy PERSON gets HELP from the PUBLIC, but he does **not HELP** others with actual WORK and creates no tangible benefits for others, he is a **PARASITE** for the PUBLIC and called “**THIEF**” or “**CROOK**”.

HOW TO QUANTIFY BENEFITS?

HELP is devoting one's **LIFE** to the other members of the **PUBLIC**. *Therefore:* the amount or the **VALUE of BENEFITS** depends on **WORK-HOURS**; because, **WORK-HOURS** is a part of **HUMAN LIFE**.

Nevertheless, some **WORK** are harder, less desirable or riskier than other **WORKS**. *Therefore,* the **VALUE of BENEFITS** created by each **WORK-HOURS** is modified by a **CONSTANT multiplier**. That **CONSTANT** can be determined by **free agreements** made within **REASON**. More precise value of **WORK-HOUR** constants are determined by **labor boards**.

Once the **BENEFITS** are quantified by **modified WORK-HOURS**, it is necessary to **RECORD** them. That is where **PUBLIC BANKS** fit in. **PUBLIC BANKS** keep the record of the **BENEFITS** created by the members of the **PUBLIC**. The unit used to record the quantified benefits is called **MONEY**; in north America, it is called "**dollar**". *Therefore,* one average **WORK-HOURS** corresponds to a certain amount of **dollars**.

TWO KINDS OF WORK

There are two kinds of WORK:

1. **PHYSICAL WORK**, mostly done by **muscles** e.g. cleaning, construction, delivery, etc. ..
2. **INTELLECTUAL WORK**, mostly done by **brain** e.g. design, writing, programming, data processing, etc. ..

Obviously, physical work is harder and riskier than brain work. But, at times, **brain work** can save physical work that creates significant amount of BENEFITS for the PUBLIC. *Therefore*, the value of brain work should not be considered less valuable.

The important part of the VALUE of a WORK is the **TIME** spent on it. **Work-hours** is a part of **human life**, that is **PRICELESS**. *Therefore*, for the sake of fairness, the value of different **WORK-HOURS** should be kept as close as possible.

WHAT IS MONEY?

MONEY is *nothing*, but:

a NUMBER that represents the VALUE of the BENEFITS GIVEN to the PUBLIC.

Therefore, **MONEY IS CREATED** by RECORDING that NUMBER. MONEY indicates that the PUBLIC owe some BENEFITS to the owner. The owner is entitled to **get** the same amount of BENEFITS from the PUBLIC. That is **necessary** for the PROTECTION of our NATURAL RIGHTS.

It is the DUTY of PUBLIC BANKS to keep the RECORDS of money earned by the members of the PUBLIC.

HOW do PUBLIC BANKS OPERATE?

PUBLIC BANKS keep the **RECORD** of MONEY *digitally* on a computer. All the members of the PUBLIC have an **ACCOUNT** at the PUBLIC BANKS.

If the members need something to buy, they can buy it by **transferring a number** from **their account** to the **seller's account** *electronically*.

Printed money works the same way. The money in your hand is the **RECORD** of your **WORK** done for the **PUBLIC**. By giving that record to other members of the **PUBLIC**, you can get the same amount of **BENEFITS** created by the **WORK** of others.

The GOVERNMENT do not need MONEY for PUBLIC SERVICE.

The GOVERNMENT is a COOPERATIVE established under the LAW of the Land; *therefore*, the government represents the **PUBLIC INTEREST**, and stands for the **PUBLIC**. The government means the **PUBLIC**. *Therefore*, if a person works for the GOVERNMENT, works for the **PUBLIC**.

For that reason, the government has the **POWER** of paying for PUBLIC SERVICE and PUBLIC GOODS by entering a number into the workers' or sellers' account in the PUBLIC BANKS. Because, **MONEY is the RECORD of WORK or BENEFITS given to the PUBLIC.**

EQUAL SHARING of COLLECTIVE HELP/WORK

The second RULE of ECONOMICS is to SHARE the products of COLLECTIVE WORK FAIRLY, within REASON.

Since the **BENEFITS** produced by WORK are quantified by modified **WORK-HOURS**, **SHARING** is done proportionally with the **total modified work-hours**.

WORKING-FAMILY

Workplaces are the HOUSES for WORKING-FAMILIES. The members of a working-FAMILY **TRUST** and **HELP** each other to produce beneficial products for the use of the PUBLIC and everyone gets their fair SHARE from the collective WORK.

Since **PUBLIC TRUST** is maintained, everyone is allowed to **BORROW money** from the PUBLIC BANKS. *Therefore*, workers can borrow money to start a new business and they become the **owner** of the WORKPLACE. Family members **WORK** in good faith and **enjoy the freedoms of their own WORKPLACE**. The people who are in charge of running workplaces are the most TRUSTWORTHY members of the family. They are the FATHERS and MOTHERS of the working-family; *therefore*, they deserve a bigger share of the collective WORK, **with full RESPECT**.

LABOR FARMS

As you will see in the next part, in POLITICAL ECONOMY, the money PEOPLE EARN is controlled by PRIVATE BANKS. *Therefore*, the members of the PUBLIC **cannot borrow money** and they cannot own their workplaces. To survive, they have ***no choice***, but **RENT their BODIES** to privileged people who can borrow money from private banks.

Obviously, if someone pays **RENT** and owns your BODY, he will have a RIGHT to **OWN** everything your body produces. And you have no choice, but follow all the ORDERS of the person who **RENTS YOUR BODY**. *Therefore*, you are NOTHING, but a **SLAVE of a MASTER who is the owner of the LABOR FARM**. You cannot bring your MASTER to JUSTICE, because under the **political rules**, **renting human body** is considered a ***“legitimate contract”***. If you file a legal action against your MASTER, your case will be **dismissed** by the CROOKS who are playing havoc with the NATURAL RIGHTS of the PUBLIC.

SUMMARY

UNDER THE RULES OF ECONOMICS:

1. Everyone **WORKS** and produces the same amount of BENEFITS as they get from the PUBLIC. **Natural rights are protected.**
2. Everyone has a **RIGHT** to **WORK** and to **BORROW** money from PUBLIC BANKS.
3. The products of **collective WORK is SHARED** fairly.
No one is FORCED or pressurized to **RENT** their bodies to SURVIVE.
4. The **government stands for the PUBLIC.**
No one is FORCED to pay **TAX for their RIGHTS** to WORK and shopping.
5. *Therefore,* everyone TRUSTS, HELPS, PROTECTS each other and **ENJOY WORK.**

NATURAL JUSTICE is the foundation of **ECONOMICS.**
NATURAL JUSTICE is the protection of **NATURAL RIGHTS.**

POLITICAL ECONOMY

POLITICS is the *opposite* of SCIENCE, because politics is based on **MAKE-BELIEVE** rules, *whereas* SCIENCE is based on **PROVEN NATURAL** rules.

Politics is the **KNOWLEDGE** of **DUPING** people for **easy money GAIN**. *Therefore*, the rules of political economy are **contradicting** with the rules of **ECONOMICS**. The worst thing about political economy is that it is **everywhere**. That is the economy we are face to face with everyday. In the schools, they teach political economy. Almost all the books are written about **political economy**.

The objective of **POLITICAL** economy.

POLITICS is the **POWER-GAME** CROOKS play against the PUBLIC to gain the **POWER** of **MONEY**.

POLITICAL ECONOMY is created by the GAME of POLITICS. It is all about beating the RULES OF ECONOMICS and **ACCUMULATE WEALTH by DUPING** people.

Therefore, it is important to know how the **GAME** of **POLITICS** is **PLAYED**.

MONEY in POLITICAL economy.

1. MONEY is created by **private BANKS** out of thin air; **NOT** by the people who actually **WORKS**.
2. It represents **POWER**; it is used to **control** and **exploit** people.
3. MONEY makes **MONEY**, *therefore* it is more **important** than **HUMAN WORK** and **HUMAN LIFE**.
4. It is a **PRIVILEGE** to **borrow** MONEY.

POLITICAL GAME

POLITICAL GAME is a **POWER GAME** fabricated by **political CROOKS** to DUPE the PUBLIC about the LAW and **SUCK** their LIFEBLOOD with FORCED TAX and racketeering businesses.

The quickest way to **gain MONEY** is to use **direct FORCE** to collect money from innocent people. But, this is very *dangerous*, because people get together and may kill the CRIMINALS. The **SAFE way to make big money** is to DUPE the PUBLIC about the LAW and collect money under the name of LAW.

Obviously, it is impossible to DUPE people by saying "I am a KING, you have to pay me TAX if you want to WORK and buy something."

*Nevertheless, if someone is smart enough to get people to play a **POWER-GAME** to choose a KING by DUPING them that the KING will be their SERVANT and PROTECTOR; then, it is very easy to **WIN the GAME.***

POLITICAL CROOKS

Obviously, no reasonable person would call an **Honorable Person** who represents the PUBLIC and serves the best interests of the PUBLIC, “**CROOK**”. *Nevertheless*, the people who take the **LAW** in their hands by **DUPING** people and extort **TAX** by restricting peoples’ **RIGHTS** to **WORK** and shopping are “**CROOKS**”, *by definition*.

For that reason, **the politicians within the above definition, should NOT be offended by being called “CROOKS”**.

We are all human beings, we all make mistakes, we can be **DUPED**, yet as soon as we recognize our **WRONG**, we **CORRECT** ourselves and **PROTECT** our **HUMAN DIGNITY**. *Nevertheless*, **CROOKS** persist on their **WRONG** actions against the **PUBLIC**, no matter how many times they are **WARNED**. That is why we call them **CROOKS**.

CROOKS are MAGALOMANIACS

Mentally healthy people respect the NATURAL RIGHTS of each other. Nevertheless, political CROOKS are *NOT mentally healthy* people. They suffer from **MEGALOMANIA that is a mental DISORDER caused by the feelings of **SUPERIORITY**; being more important than other people. MEGALOMANIACS obsessed with POWER. They enjoy **beating** vulnerable people and accumulate **WEALTH** to prove their **SUPERIORITY**.**

The feelings of SUPERIORITY is the SOURCE of **HATE** and **HATRED**. HATE is all about believing that other people are **worthless**. *Therefore*, MEGALOMANIACS never hesitate to treat innocent people like **SLAVES** for POWER GRAB.

MEGALOMANIA is the most dangerous MENTAL DISORDER. The history is replete with megalomaniacs who **killed** millions of innocent people for their LUST OF POWER. Yet, the majority is unaware of the FACT that we are being controlled by MEGALOMANIACS and there is no CURE for it.

DANGERS OF POLITICAL GAME

POLITICAL GAME is the **most dangerous** DUPING GAME, *because* it is a played against the PUBLIC. If people become aware of the FACT that they are DUPED they get together and exterminate their enemies. Therefore, **political CROOKS must eliminate the POWER of PEOPLE.**

How do CROOKS eliminate the POWER of PEOPLE?

To destroy the POWER of the PUBLIC, CROOKS do two things:

1. DIVIDE PEOPLE,

2. PROMOTE HATE and PROVOKE them to fight each other.

CROOKS **divide** the PUBLIC into **political GANGS**; with the help of the MEDIA. Usually, **Right** and **Left** wing GANGS. **Right** wing GANGS are the conservative people who believe religions, traditions, nationalism, capitalism etc. **Left** wing GANGS are liberal people who believe, political science, united world, socialism or communism, etc.

Political CROOKS DUPE PEOPLE

After dividing the PUBLIC into GANGS, they DUPE them that:

1. They need a **KING** to make laws for *more FREEDOMS*.
2. They have a **RIGHT** to choose their **KING** by way of *VOTING*.

1. No reasonable person needs to be controlled by a special LAW MAKER or a KING, because they have their own BRAINS and they use it to control themselves, within the bounds of ETHICS. Also, reasonable people know that NO ONE IS ABOVE THE LAW, therefore no one can make or BREAK laws.

2. Reasonable people know that VOTING is tantamount to giving a power of attorney to political GAME players so that they can take the LAW in their hands, make and BREAK laws for convenience is NOT RIGHT.

VOTING is as **STUPID** as giving your GUN to a stranger who asks for it and **HOPING** that he will protect you. *Therefore, it is DEAD WRONG.*

KINGS acting as PUBLIC SERVANTS

*Despite all the odds, POLITICAL CROOKS usually succeed in **DUPING people** by repeating their HOAXES persistently and get people to VOTE for them. After the election, they gain the status of **KINGS**.*

*Nevertheless, they never call themselves KINGS, but “**PUBLIC SERVANTS**”. It is highly interesting that NO ONE asks *how it is possible to be a PUBLIC SERVANT with the POWERS of KINGS*. Everyone obeys and stays SILENT about the elected KINGS. Since, SILENCE means “**consent**”, political CROOKS are FREE to take the LAW into their hands. They **start making and BREAKING laws**.*

CROOKS BRAKE the LAW into two pieces.

Obviously, if CROOKS take the LAW into their hands, they would BREAK it.

That was exactly what they did years ago.

They BROKE the LAW into two PIECES:

1. CRIMINAL LAW

2. 2. INNOCENT/civil LAW

1. CRIMINAL LAW: Even though “CRIMINAL LAW” is perfect example of an **oxymoron**, CROOKS called the **common rules of JUSTICE** “CRIMINAL LAW”. In CRIMINAL LAW applications, accused is **assumed innocent** until proven **GUILTY**, *therefore it is possible to get JUSTICE done*. *Nevertheless*, ordinary citizens are **not allowed** to file criminal cases against CROOKS and their supporters.

CROOKS BRAKE the LAW into two pieces.

2. INNOCENT/civil LAW: Civil law are rules *fabricated* by political CROOKS. *Therefore*, in CIVIL LAW applications, accused is **assumed GUILTY** until proven **innocent**. That means if you don't OBEY CROOKS you are **GUILTY**, until you prove that you OBEYED them; if not, you will be **FORCED to pay MONEY** to get exonerated. This is a perfect scheme of swindling money from innocent people.

On the other hand, if you file a legal action against CROOKS or their supporters, your case will be **dismissed** on the grounds of *scandalous*. And you will be **FORCED** to pay court costs as punishment.

CROOKS are PROTECTED by CIVIL COURTS

In Criminal Courts, **arguing established FACTS and applicable LAW are not allowed.** *Therefore,* it not easy to exonerate CRIMINALS and make easy MONEY. *On the other hand,* in civil courts, there is **no restrictions, anything can be argued** until the VICTIM is DUPED that he was suffered from a legitimate action. *Therefore,* it is very easy to **exonerate CROOKS** and make windfalls of money. *In that respect,* CIVIL COURTS work like GAMBLING CASINOS; that is why the lawyers always talk about **WINNING A CASE**, instead of **NATURAL JUSTICE.**

With CIVIL Courts, CROOKS eliminated the dangers of getting tangled with the substantive LAW and got rid of their FEAR of LAW.

They got the FREEDOM of providing PRIVILEGES for their supporters and RESTRICTING the NATURAL RIGHTS of the PUBLIC.

CIVIL LIBERTIES

CROOKS provided **MORE FREEDOMS** as they promised, under the name of CIVIL LIBERTIES; but **for their supporters**; NOT for the PUBLIC. The FREEDOMS they provided were the FREEDOMS of running CRIME based businesses for easy money GAIN, as explained in the following pages.

Providing FREEDOMS or PRIVILEGES for special interest GANGS is tantamount to **RESTRICTING the NATURAL RIGHTS** of people.

RESTRICTION of NATURAL RIGHTS is a reckless violation of NATURAL RIGHTS. *By definition,*
violation of NATURAL RIGHTS is a CRIME against the PUBLIC.

Nevertheless, CROOKS kept people SILENT, by DUPING and creating FEAR. *Therefore,* CROOKS did not have any serious problems while legalizing the following CRIMES:

FREEDOMS for the supporters of political CROOKS.

- 1. DUAL JUSTICE:** The first CRIME CROOKS legalized was “DOUBLE JUSTICE”. **NATURAL JUSTICE was abolished.** Lawyers had the opportunity to serve two kinds of JUSTICE and started to make windfalls of MONEY, out of victimless CRIMES.
- 2. PRIVATE BANKS:** The second CRIME CROOKS legalized was “FORGERY”. No one can CREATE MONEY other than the government; but, CROOKS **GAVE AWAY the POWER of the government** to private BANKS.
- 3. TAX EXTORTION:** The third CRIME CROOKS legalized was “EXTORTION”. After the government’s POWER is given away to private banks the GOVERNMENT is turned into a private corporation dependant on **FORCED TAX** and money borrowed from private banks.
- 4. SLAVERY:** The fourth CRIME CROOKS legalized was “**SLAVERY**” for benefit of money owners. They are privileged to **RENT human body** and take away everything rental people produce by WORKING. Workplaces are turned into **LABOR FARMS** where **MASTERS** farm the crops of slave LABOR.

FREEDOMS for the supporters of political CROOKS.

5. FORMING GANGS: CROOKS under the name of “freedom of association” legalized **special interest GANGS** to gain support; *Law societies, Labor unions, Professional associations, Religious organizations, Business associations, Human Rights Organizations, ...* Therefore, the government turned into an **ORGANIZED-CRIME-CORPORATION** with special support GANGS.

6. GAMBLING: Gambling is **swindling** MONEY by DUPING gullible people that they will **gain money** by playing games, *without working*. **GAMBLING was a CRIME**. But, CROOKS **legalized** and sold licences for their supporters, under CIVIL LIBERTIES.

7. CRIME INSURANCE: Insurance business is like **gambling**, but instead of creating **HOPE** of WINNING, CROOKS create **FEAR of ACCIDENTS** to **swindle** money from their VICTIMS. Political CROOKS not only legalized accident insurance business, but also legalized selling **FORCED INSURANCE** to protect the CRIMINALLY NEGLIGENT people who KILL. (See ICBC CRIME)

FREEDOMS for the supporters of political CROOKS.

8. DRUG DEALING: CROOKS with the LAW in their hands, started to control people's **RIGHT to decide what they can take or NOT into their BODY**, under the name of DRUG REGULATIONS. They DUPED the PUBLIC that restrictions are for the protection of the PUBLIC. Only an **INSANE** person would believe that **RESTRICTING the NATURAL RIGHTS is a benefit for a SANE person**. CROOKS started to **enforce SAFETY RULES** as if they were **law**. The Honorable Law Enforcement Officers are used to stop harmless people for MONEY. Covid scam is another example of it.

9. COPYRIGHT: COPYRIGHT is the privilege of copying the same product and selling it unlimited number of times. A super convenience to make truck loads of MONEY. It is a **BILL** to open the **GATES** of MONEY for the supporters, while treating the people who share information as "**PILOTS**".

10. PRIVACY: *Obviously, an Honorable Person* who acts within the bounds of ETHICS and LAW has **nothing to hide from the PUBLIC**. Yet, CROOKS made a big deal about **PRIVACY**; *because they needed PRIVACY to hide their CRIMES from the PUBLIC. Therefore, they fabricated laws under the names of "privacy act", "defamation", "gagging, "confidentiality" and "censorship"....*

Hiding the enemies of the PUBLIC with the rules of PRIVACY is a CRIME against the PUBLIC.

CROOKS RESTRICTED our NATURAL RIGHTS

- 1. RESTRICTION OF WORK:** CROOKS BANNED almost all kinds of WORK that require some skill, and started to SELL certificates, licenses, permits. *Furthermore*, they formed LABOR GANGS under the name of protecting workers. People are **FORCED** to pay protection money to labor GANGS; *otherwise*, they are **NOT allowed to WORK**.
- 2. RESTRICTION OF ACCESS TO JUSTICE:** CROOKS restricted the PUBLIC to **access to CRIMINAL Courts**. Members of the Public are allowed to file CIVIL actions against CROOKS or their supporters, but their cases are dismissed on the grounds of “**scandalous**”, and victims are **FORCED TO PAY COURT COSTS**, *therefore* people are **deterred** from taking legal action against CROOKS.
- 3. RESTRICTION OF LAND USE and NATURAL RESOURCES:** CROOKS **abolished** the **NATURAL RIGHT TO USE NATURAL LAND**. Natural LAND belongs to the PUBLIC. *Nevertheless*, CROOKS claimed the ownership of the natural LAND and they started to SELL and RENT it to the **PUBLIC**. That is why we are suffering from the HOUSING CRISIS and RENT EXTORTION.
- 4. RESTRICTION OF OWNERSHIP:** CROOKS **restricted** the OWNERSHIP RIGHTS. Now, **our HOME** is not our home if we don't pay **FORCED TAX** to political CROOKS or **INTEREST** to private **BANKS**. **Our CAR** is not our car if we don't pay **FORCED INSURANCE**. **Our COMPUTER** is not our computer if we don't pay **COPYRIGHT** to privileged persons. **Our MONEY** is not our money if we don't pay **FORCED TAX** for our RIGHTS to **WORK** and shopping.

CONSEQUENCES of political ECONOMY

The principle of POLITICAL ECONOMY is:

DUPE and LOOT in SILENCE.

Under the NATURAL LAW, **DUPING** and swindling money is a **CRIME** against the **PUBLIC**.

But, if no one takes legal action against **CRIMINALS**, **there is NO CRIME**. It is the **DUTY of victims** to bring **CRIMINALS** to **JUSTICE**. *Otherwise*, victims have **NO PROTECTION** of the **LAW**. As long as victims are **SILENT**, **CROOKS** are **FREE** to do anything they want. That is how **CROOKS** get around the **LAW** and get away with their **CRIMES** against the **PUBLIC**; they **DUPE** and they **keep their victims SILENT**.

HOW do CROOKS keep PEOPLE SILENT?

1. **DUPING:** CROOKS always talk about their **victims' interests** and **safety** while they are *swindling* and *extorting* their MONEY. They DUPE people to believe that two kinds of JUSTICE is necessary for controlling PEOPLE. Under the name of CIVIL JUSTICE, they **SUCK the lifeblood of innocent people** and gain WEALTH. *Nevertheless*, they lose their HUMAN DIGNITY. It is **impossible to GAIN** something, *without* sacrificing anything.
2. **CONFUSION:** CROOKS create confusion by keeping the **attention of the PUBLIC** on irrelevant and controversial issues through the MEDIA. *Abortion, global warming, flu pandemic, racism, immigration, stock market, drug crimes etc.*
3. **HATE:** CROOKS create HATE by dividing the PUBLIC into GANGS and **DESTROY PUBLIC TRUST** to prevent people getting together for the protection of their NATURAL RIGHTS.
4. **FEAR:** FEAR is absolutely necessary for EXTORTING money and keeping people SILENT. They threaten people with, FINES, tickets, legal actions, unemployment, HOAXES of PANDEMICS and disasters.
5. **FORCE:** They use LAW ENFORCEMENT as their body guards and a **tool** to create FEAR OF GOVERNMENT.

If someone who follows the RULES of LAW and tries to sue CROOKS he will be PERSECUTED like me. See. www.ilaw.site REPORT.

PARALYZING HUMAN BRAIN

*It is a fact that, under the circumstances, at least, 2/3 of the money an average citizen **EARNs** is **EXTORTED** under the name of PUBLIC SERVICE and **SWINDLED** by the racketeering businesses legalized by political CROOKS.*

*Yet, the loss of **MONEY** is a second concern; because, the damage done to the HUMAN MIND and BODY, by way of **DUPING**, is much more DESTRUCTIVE than the financial loss. Because, **DUPING is tantamount to paralyzing HUMAN BRAIN**. DUPED people are **NOT** aware of **POLITICAL CRIMES**; therefore, they are **not able** to **protect** themselves against CROOKS.*

*They SUFFER from the **INDIGNITY** of **obeying** and **cooperating** with CROOKS. Therefore, their **DESIRE of LIVING** gets destroyed and their **IMMUNE SYSTEMS FAIL**.*

GENOCIDE

When IMMUNE SYSTEM FAILS, all kinds of diseases emerge and start to DESTROY HUMAN BODY.

Therefore, MILLIONS of PEOPLE are dying *prematurely* due to the POLITICAL CRIMES perpetrated under the name of PUBLIC SERVICE.

This is a GENOCIDE, MASS MURDER for MONEY.

It is the DUTY of the members of the PUBLIC to bring political CROOKS to JUSTICE for their CRIMES against HUMANITY.

**The LAW never FAILS
JUSTICE always PREVAILS**
