Dear Premier,

I am a **victim** of potentially fatal hit and run crime. Therefore, I have a **RIGHT** and **DUTY TO BRING MY OFFENDER TO JUSTICE**. Otherwise, **it is impossible to prevent hit and run crime**. I have struggled to discharge my **DUTY** for seven years without any success. The following are the fundamental facts about this case, substantiated by the legal documents enclosed:

1. My offender was caught, but RCMP **failed to charge him with hit and run crime**, because, ICBC **assumed the liability of the crime**.
2. Even though, it is **unlawful** to provide insurance benefits to criminal offenders, ICBC paid - on behalf of my offender - the cost of my car he destroyed in the commission of the hit and run crime.
3. Furthermore, ICBC disregards the Criminal Code of Canada, S252, by assuming the liability of 49,000 hit and run crimes, that kill 8, injure and cripple 2,200 peoples in the province of British Columbia every year, including the cases where the criminals are identified.
4. Since the court registry did not allow me to file a criminal legal action against ICBC, I was obliged to file three civil cases in the Supreme Court of British Columbia. Nevertheless, under the supervision of the Chief Justice **Christopher E. Hinkson**, all my legal actions were dismissed without any authority and the justices refused to sign their orders in compliance with the procedural norms.
5. Finally, the Chief Justice declared me "*vexatious litigant*" and obstructed my access to the Court Services, *knowing* that **I have a RIGHT and DUTY TO BRING MY OFFENDER TO JUSTICE**. For any reasonable person, this is a **perfect example of corruption** in the Supreme Court of British Columbia.

Now, my **DUTY** is to publicize this vitally important issue, in order to prevent harm to the Public. Nevertheless, the proper procedure, for me, is to notify the top authority who is responsible for protecting the Law of the Land, before discharging my **DUTY**.

Please, let me know, if you are willing to do something to resolve this issue, which is vitally important for the **PROTECTION OF THE PUBLIC**.

Sincerely,

Ron Korkut

Dear Premier,

I am a **victim** of potentially fatal hit and run crime. Therefore, I have a **RIGHT** and **DUTY TO BRING MY OFFENDER TO JUSTICE**. Otherwise, **it is impossible to prevent hit and run crime**. I have struggled to discharge my **DUTY** for seven years without any success. The following are the fundamental facts about this case, substantiated by the legal documents enclosed:

1. My offender was caught, but RCMP **failed to charge him with hit and run crime**, because, ICBC **assumed the liability of the crime**.
2. Even though, it is **unlawful** to provide insurance benefits to criminal offenders, ICBC paid - on behalf of my offender - the cost of my car he destroyed in the commission of the hit and run crime.
3. Furthermore, ICBC disregards the Criminal Code of Canada, S252, by assuming the liability of 49,000 hit and run crimes, that kill 8, injure and cripple 2,200 peoples in the province of British Columbia every year, including the cases where the criminals are identified.
4. Since the court registry did not allow me to file a criminal legal action against ICBC, I was obliged to file three civil cases in the Supreme Court of British Columbia. Nevertheless, under the supervision of the Chief Justice **Christopher E. Hinkson**, all my legal actions were dismissed without any authority and the justices refused to sign their orders in compliance with the procedural norms.
5. Finally, the Chief Justice declared me "*vexatious litigant*" and obstructed my access to the Court Services, *knowing* that **I have a RIGHT and DUTY TO BRING MY OFFENDER TO JUSTICE**. For any reasonable person, this is a **perfect example of corruption** in the Supreme Court of British Columbia.

Now, my **DUTY** is to publicize this vitally important issue, in order to prevent harm to the Public. Nevertheless, the proper procedure, for me, is to notify the top authority who is responsible for protecting the Law of the Land, before discharging my **DUTY**.

Please, let me know, if you are willing to do something to resolve this issue, which is vitally important for the **PROTECTION OF THE PUBLIC**.

Christy Clark, Premier
West Annex, Parliament Buildings
Victoria, BC V8V 1X4

Dear Premier,

I am a **victim** of potentially fatal hit and run crime. Therefore, I have a **RIGHT** and **DUTY TO BRING MY OFFENDER TO JUSTICE**. Otherwise, **it is impossible to prevent hit and run crime**. I have struggled to discharge my **DUTY** for seven years without any success. The following are the fundamental facts of this case:

1. My offender was caught, but RCMP **failed to charge him with hit and run crime**, because, ICBC **assumed the liability of the crime**.
2. Even though, it is **unlawful** to provide insurance benefits to criminal offenders, ICBC paid - on behalf of my offender - the cost of my car he destroyed in the commission of the hit and run crime.
3. Furthermore, ICBC disregards the Criminal Code of Canada, S252, by assuming the liability of 49,000 hit and run crimes, which kill 8, injure and cripple 2,200 peoples in the province of British Columbia every year, including the cases where the criminals are identified.
4. Since the court registry did not allow me to file a criminal legal action against ICBC, I was obliged to file three civil cases in the Supreme Court of British Columbia. Nevertheless, under the supervision of the Chief Justice **Christopher E. Hinkson**, all my legal actions were dismissed without any authority, and the justices refused to sign their orders in compliance with the procedural norms.
5. Finally, the Chief Justice declared me "*vexatious litigant*" and obstructed my access to the Court Services, *knowing* that **I have a RIGHT and DUTY TO BRING MY OFFENDER TO JUSTICE**. For any reasonable person, this is a **perfect example of corruption** in the Supreme Court of British Columbia.

Now, my **DUTY** is to publicize this vitally important issue, in order to prevent harm to the Public. Nevertheless, the proper procedure, for me, is to notify the top authority who is responsible for protecting the Law of the Land, before discharging my **DUTY**.

Please, let me know, if you are willing to do something to resolve this issue, which is **vitally important for the PROTECTION OF THE PUBLIC**.

Sincerely,

Ron Korkut

This is the sixth time, I am **pleading with you**, please, spare your 10 minutes to call the **Chief Justice, Christopher E. Dear Premier,

Re. Report of Corruption in SCBC

Since I *first notified* you on August 2, 2017, regarding the *corruption* in SCBC, CRIMINALLY NEGLIGENT drivers have **killed 200 innocent peoples, under the liability of ICBC. From the point of LAW, you are responsible** for the loss of those 240 lives; *because*, you are the **highest authority** in the Province of British Columbia and **you could have prevented it.**

All **you should have done to save those lives**, was to call **the Chief Justice, Christopher E. Hinkson** to remind him that the VICTIMS of CRIME **must be allowed** to bring their offenders to JUSTICE; *otherwise*, it is impossible to prevent CRIMES.

It is IMPOSSIBLE to prevent ROAD CRIMES that kill 264 and injure 50,000 peoples a year, *as long as* ICBC insures and **protects** hit and run **criminals**, and *criminally* negligent drivers.

This is the NINETH time, I am **pleading with you**, please, spare your 10 minutes to call the **Chief Justice, Christopher E. Hinkson** and **remind** him that I am a victim of **potentially fatal hit and run crime perpetrated under the liability of ICBC; therefore**, he must **allow** me to bring ICBC to JUSTICE, on the grounds of *insuring and protecting hit and run criminals, and criminally negligent drivers who kill 264 peoples every year*. The victims have a RIGHT and DUTY to bring their offenders to JUSTICE; *otherwise*, **it is impossible to prevent ROAD CRIMES.**

Sincerely,
