Dear Mr. Palmer,

**Re. Hit and run crime prevention**

I am a victim of potentially fatal hit and run crime. I have been struggling to bring my offender to justice since 2009; but, my access to administration of justice has been obstructed. Obviously, where the victims of hit and run crime cannot take their offenders to Court, it is impossible to prevent hit and run crime.

I have noticed that you have posted the following message in your website:

*"The number of hit and run claims reported to the police has increased dramatically in recent years, approaching almost 1000 claims per month in Vancouver alone."*

Your post encouraged me to ask you for a meeting to discuss the possibilities of joining our efforts to **prevent hit and run crime** in our community. I am available after 3pm on weekdays. Please, let me know.

Sincerely,

Ron Korkut

Thank you for your letter to Chief Adam Palmer and the Vancouver Police Department.

I hope your recovery from your Hit & Run accident is progressing. From your letter you sound frustrated with the ongoing legal process.

I encourage you to continue to work with the police and your lawyer.

The Burnaby RCMP in turn can bring your ideas to our lower mainland meeting with the other police departments and stakeholders.

The name and number of the person to contact is: Burnaby RCMP Traffic Services Sgt. Dwayne Beckerleg [604-294-7922](tel:604-294-7922).

Dear Mr. Palmer,

**Re. Crime prevention and Corruption in the Supreme Court of British Columbia**

I have presented you “THE REPORT OF CORRUPTION IN THE SUPREME COURT OF BRITISH COLUMBIA”, that is a concern for all the citizens of British Columbia. Therefore, as a LAW ENFORCEMENT OFFICER, your DUTY is:

1. To advise the Chief Justice, **Christopher E. Hinkson**, not to dismiss legal actions based on criminal offences. Otherwise, **it is impossible to prevent CRIME.**
2. And **report this issue to the Media, to ensure** the Public is protected from the malicious practice of Law in the Supreme Court of British Columbia.

PLEASE:

1. Let me know, if you are willing to discharge your DUTY to take action against the corruption in the Supreme Court of British Columbia.
2. If you are not willing to do so, sign the attached document, because this is a vitally SIGNIFICANT CASE FROM THE POINT OF THE PROTECTION OF THE LAW AND ORDER.

**DEFAULT CONCLUSION:**

If you fail to respond, I WILL BE OBLIGED TO CONCLUDE that YOU HAVE DECLINED TO TAKE ACTION against the **corruption** I reported to you, without any excuse, and remind you that **it is impossible to protect the Law and Order, if the Law Enforcement stays silent to the reported criminal issues.**

Dear Mr. Korkut,

I have been requested to respond to the document you submitted to Chief Constable Adam Palmer dated April 18, 2018 regarding the Law Society of British Columbia, enclosing your letter to Mr. Donald Avison, Chief Executive Officer of the Law Society of British Columbia. It would appear as though your concerns lie with the conduct of the Law Society of British Columbia and others in relation to alleged professional misconduct of a lawyer or lawyers, or in relation to a civil matter, and is not a police or criminal matter. I would advise that Chief Palmer is not a lawyer, and is not a member of the Law Society of British Columbia.

Effectively, neither Chief Palmer nor the Vancouver Police Department have any standing in relation to this dispute.

I hope that you are able to resolve your dispute with the Law Society of British Columbia.

Dear Officer,

**Re. ICBC CRIME, Corruption in the Courts**

In your letter dated May 4, 2018, you told me that Chief Adam Palmer is *not a lawyer*. Thanks for letting me know that. That is *nothing* to do with the issues I have raised to the attention of VPD and the Mayor, since April 2016:

I am a **victim** of *potentially* FATAL hit and run **crime perpetrated under the liability of ICBC**. ICBC refused to pay my *non-pecuniary* damages. *Therefore*, as a victim of CRIME, I was legally **obliged** to bring ICBC to JUSTICE; *otherwise*, it is **impossible to prevent CRIME**.

*Furthermore*, ICBC **insures** and **protects** the *hit and run criminals* and *criminally negligent drivers*. Criminally negligent drivers **kill 264** peoples, injure and **cripple thousands** each year, under the liability of ICBC. Due to compulsory insurance, the responsible drivers are FORCED to pay the damages of 4 billion dollars **caused** by the criminally negligent drivers.

**I have been struggling to bring ICBC to JUSTICE for eight years.**

1. Vancouver Court Registry **did not allow** me to file a legal action against ICBC.
2. I was **not** able to get **legal service** form the Lawyers.
3. The Law Society *disregarded* the issue stating that “*the lawyers have no obligation to provide legal service to the victims of crime*”.
4. I was **obliged** to file legal actions against the Law Society CEO, **Timothy E. McGee**, Chief Justice **Christopher E. Hinkson**, Justice **Austin F. Cullen** and Justice **Janice R. Dillon**.
5. All my cases are dismissed, on the grounds of “*No reasonable action*” and the Chief Justice declared me “*vexatious litigant*” and **obstructed** my access to JUSTICE.
6. The only option I had was to **inform the PUBLIC**. I started with my co-workers at BCIT.
7. **Wayne Hand** **terminated** my employment, *just because* I **warned** my co-workers *against the perils of the corruption in the Supreme Court of British Columbia*. I filed a grievance with BCGEU.
8. Union lawyer, **Oliver Demuth** **refused** to communicate and **confirm** the FACTS with Wayne Hand. He **dismissed** my grievance based *on the single sided facts*.

9. BCGEU lawyer **Thomas Yachnin** called the police on me for requesting authorized decision from the president of BCGEU, Stephanie Smith.

10. Employment Insurance **refused** to pay me employment benefits. Now, I am out of work for over a year with **no income**.

11. I am **not** able to get **legal service** for my *wrongful dismissal* case.

12. The Law Society of British Columbia is **not investigating** my complaints about six lawyers and **not responding**.

As a **LAW** enforcement officer, you are *supposed* to **understand** the significance of DISMISSING CRIMINAL CASES and *protecting* the CRIMINALS. If not, as member of the PUBLIC, it is my DUTY to **remind** you that:

**Dismissing the legal actions of the victims of CRIME to protect the CRIMINALS is the WORST of all CRIMES.**

It is the DUTY of the members of the PUBLIC to take action against CRIME, yet you are paid for it; it is your job. We **must protect each other**; *otherwise* we **perish**. Even animals **do protect** each other. We are supposed to do better than them.

All that is *necessary* to **stop** ICBC CRIME and save hundreds of lives is to **call** the Chief Justice **Christopher E. Hinkson** to **remind** him that it is UNLAWFUL to **dismiss criminal cases**; *otherwise*, it is IMPOSSIBLE to prevent CRIME. If he does not follow the rule of LAW, you may **arrest** him, or *at least* **report** to the media, so that PUBLIC can protect themselves.

*Bear in mind* that BREACH OF TRUST by public officer is a **criminal offence** under Section 122, the Criminal Code of Canada and, the PUBLIC is the highest COURT.

Sincerely,

Ron Korkut

**Dear Mr. Palmer,**

You have **failed to respond** to my letters dated April 4, 2016; May 2, 2016; May 25, 2016; June 20, 2016; August 3, 2016 and April 18, 2018 regarding the following **CRIMES** committed in the City of Vancouver:

1. The **Chief Justice, Christopher E. Hinkson dismissed my legal actions against ICBC** knowing that I was a victim of a potentially FATAL hit and run crime, ICBC extorts \$4 billion dollars under the threat of seizing driver's licence or vehicle to **insure** and **protect** CRIMINALLY negligent drivers and hit and run CRIMINALS who **kill 264, injure 51,000** people, every year.
2. The Law Society CEO, **Donald Avison refused to investigate** the professional misconduct cases regarding *aborting criminal cases and refusing to discharge union DUTY*.

### **YOUR DUTIES:**

1. As a Law Enforcement Officer, your DUTY is to **protect** the Law of the Land and the PUBLIC; that is the **reason** for you are vested with the POWER of AUTHORITY to protect the PUBLIC and the PUBLIC trusts and pays you.
2. You *certainly*, have a mental capacity to discern that a Justice who **dismisses** the legal actions filed to save the lives of 260 people each year is a more DANGEROUS CRIMINAL than the criminals who kill them.
3. There is **no authority that restricts you from calling** the Chief Justice **Christopher E. Hinkson** to remind him that dismissing the legal actions of the victims of CRIME and protecting the criminals a perfect example of **breach of trust** by public officer under the Section 122 of the Criminal Code of Canada.
4. Even, you have the power of **authority to arrest** the Chief Justice upon the proof of his dismissing my legal actions; *because*, a Justice who dismisses the legal actions of the victims of CRIME and protects the CRIMINALS is more **dangerous offender** than the actual CRIMINALS.

### **MY DUTY:**

As a member and a **natural representative** of the PUBLIC, I am **obliged to remind** you that you MUST DISCHARGE the DUTIES you owe to the PUBLIC. Your failure, may FORCE me to expose you as a CRIMINAL, pursuant to Section 122, CCC; *because* it is **IMPOSSIBLE to TRUST** a Law Enforcement Officer who is **reluctant** to make a phone call to save **260 lives**.

Sincerely,
